

HEAVY LIFTING PENNANT FLAGS REUSABLE

THESE REUSABLE FLAGS ARE REQUIRED WHEN LIFTING LOADS CLASSED AS “HEAVY”, OR 7,000KG AND ABOVE.

Heavy Lift Pennants are used in conjunction with the crane lifting the load, to indicate and identify that the load being lifted is heavy. Our pennants are both heavy duty and weather resistant, so can be used over and over again.

You won't find a better quality pennant on the market.
